

# Talk It Over

## Renovating the Church

Week #4: A Place of Serving

September 7 & 8

### Warm Up Question

Have you ever been invited to participate in something for which you did not have the resources or abilities to be involved?

### Read

Ephesians 4:1-13

### Discussion Questions

1. What is God calling us to? What is he inviting us to be involved in?
2. What does it mean to live a life worthy of God's calling? What does it look like to respond to his invitation?
3. According to Ephesians, God always initiates.
  - How does this contrast with our common thinking about life?
  - How does Paul's view of how life works differ from our culture's understanding of how things happen in life?
4. What role do we play in the exercise of the gifts God gives us?

### Application

How can you do a better job of identifying and responding to God's call in your life this week? What practical things can you do to become more aware of God's calling?

### Prayer

Close in prayer about what you have discussed.
