## Talk It Over

---

*Questions are prepared each week and are designed to prompt insights, questions, and the life experience of each listener. If these are used immediately following the sermon, it would be much the same as what was done in Israel at the time of the early church.*

*For the sake of time, you may want to choose one or two questions.*

### Week 4 – God Continued Calling

#### Discuss:

1. What characteristics do you think would describe the new world God is trying to create in the Book of Leviticus? How will this new world differ from the world the Israelites left in Egypt?
2. How did the ancient tabernacle reflect the original creation order and design? In what ways did the tabernacle remind the Israelites of God's creation ideal?
3. How do the ten plagues in the Book of Exodus demonstrate God's power? What areas of life do they show God as sovereign over?
4. In what ways can we be attentive to our spiritual lives? What practices help keep us aware of God's presence and power in our lives?
5. In what area of life do you need God's presence and power the most right now? What are you doing to stay aware of God's work in and through you?

#### Pray:

Take a moment and close in prayer as a group.
