

Announcements

These are important announcements for the whole church to hear. These keep us unified and supporting all that McLane Church is doing.

All of our current announcements can be found on the home page of our website. Here are a few you want to pay special attention to this week!

This is an exciting week at McLane Church! We have something happening for everyone!

- The ladies are kicking off the summer with a **Kona Happy Hour** at the **Gathering** on Monday with music, yard games, a Kona Ice snow cone truck, and more. Bring a friend, a lawn chair, and get ready for a fun night starting at 6:30 pm!!
- And - not to be outdone, we have a special **Guys' Night** planned too. We will meet for our favorites - food, fire and fun - on Tuesday evening at 6:30 pm.
- Teens from all of our locations and the community are invited to **Tire Wars** on Wednesday night at 7 pm. Besides some crazy fun tire relays, there will be music, food, volleyball, and so much more. This is the first of several events we have planned for our teens this summer.

All of these events will be held rain or shine at our Edinboro location, and are free and open to everyone!

And for our preschool and elementary kids - this is the last week to register for VBS - our Virtual Bible School experience. [Check out this video!](#) So, like Moses said, go online and sign up this week - you don't want to miss this special family event.

If you missed any of the details, no worries! Just go to our website, mclanechurch.org, our mobile app, or check us out on social media to stay up to date with everything happening this summer at McLane Church.
