

## Talk It Over

---

***Questions are prepared each week and are designed to prompt insights, questions, and the life experience of each listener. If these are used immediately following the sermon, it would be much the same as what was done in Israel at the time of the early church.***

### Discuss:

1. Describe your emotions as you have watched the crisis in Ukraine unfold over the past week. What have you felt? What emotions have you experienced?
2. Did you see the Zoom call with Pastor Henryk? What was your reaction? How did the call make you feel?
3. What did you learn about growing up in Eastern Europe from the interview with Robert Blank? What surprised you about what you heard?
4. What did Robert say Christians should do in response to this crisis? What did he say would make a difference? What do you think about what he said?
5. How does faith give us a perspective from which to engage with this crisis? How does the teaching and example of Jesus address the realities we are witnessing?
6. What can you do this week to make a difference? What practical steps can you take to respond to what is happening in the world?
