

## Talk It Over

---

*Questions are prepared each week and are designed to prompt insights, questions, and the life experience of each listener. If these are used immediately following the sermon, it would be much the same as what was done in Israel at the time of the early church.*

### Discuss:

1. What was your overall reaction to this week's interview? What motivated you? What challenged you?
2. How do the things Russell is doing reflect the teaching and example of Jesus? How is Russell making a difference?
3. How could the church better motivate and support people in doing the kind of things Russell is doing?
4. Did anything specific and practical come to mind that you could do to make a difference as you heard Russell talk?
5. What did Russell say his motivation was for doing what he does?

### Wrap Up:

Close in prayer.
