

## Talk It Over

---

*Questions are prepared each week and are designed to prompt insights, questions, and the life experience of each listener. If these are used immediately following the sermon, it would be much the same as what was done in Israel at the time of the early church.*

### Discuss:

1. What was your overall reaction to this week's interview? What motivated you? What challenged you?
2. How do the things Lynora is doing reflect the teaching and example of Jesus? How is Lynora making a difference?
3. How could the church better motivate and support people in doing the kind of things Lynora is doing?
4. Did anything specific and practical come to mind that you could do to make a difference as you heard Lynora talk?
5. What did Lynora say her motivation was for doing what she does?

### Wrap Up:

Close in prayer.
