

## Talk It Over

*Questions are prepared each week and are designed to prompt insights, questions, and the life experience of each listener. If these are used immediately following the sermon, it would be much the same as what was done in Israel at the time of the early church.*

### Discuss

1. Have you ever had a broken bone or had some part of your body incapacitated in some way? What was that experience like? Are you able to relate that experience to Paul's analogy of the Body of Christ?
2. First Corinthians is the first letter we see Paul make reference to the Body of Christ. He references the idea in later letters. Do you think it is an accurate analogy? What aspects of the analogy do you find most accurate? Any parts of it you feel are a "stretch?"
3. For what areas of service are you gifted to serve?
4. Based on your current season of life and gifts, where do you think you would want to serve?
5. Have you ever had any experiences in ministry where you feel you benefitted from your service as much as those you served?
6. Of all the ministries and initiatives of McLane Church, which excite you the most?

### Wrap Up

Spend time praying for each other.
