

## Talk It Over

---

*Questions are prepared each week by the teaching pastor and are designed to prompt insights, questions, and the life experience of each listener. If these are used in a group immediately following the talk, it would be much the same as what was done in Israel at the time of the early church. They will also be useful to individuals who want a deeper understanding of the message.*

### Traditions of Christmas - Week 2

1. How does the role of generosity and giving in both the Christmas tree and Santa Claus traditions align with Christian teachings and values?
2. Contemplate the symbolism of the Christmas tree, especially its evergreen nature and triangular shape. How can the Christmas tree serve as a reminder of the Trinity and the eternal life found in Christ?
3. Reflect on your own acts of generosity during this Christmas season. How can you give of yourself, your time, or your resources to respond to the needs of others?
4. Reflect on a time in your life when faith played a crucial role in facing the unseen challenges. How did God's presence provide hope and inspiration?
