

## Talk It Over

---

*Questions are prepared each week by the teaching pastor and are designed to prompt insights, questions, and the life experience of each listener. If these are used in a group immediately following the talk, it would be much the same as what was done in Israel at the time of the early church. They will also be useful to individuals who want a deeper understanding of the message.*

*You don't need to answer all of the questions. Choose one or several to think about on your own or to discuss if you are meeting in a group.*

1. In 2024, what is one "new thing" you'd like to try in an effort to grow closer to Christ and to expand in your faith?
2. Read Micah 6:8. What does it mean to you to "walk humbly with your God"?
3. What are some ways in which you're using technology to experience church outside of the physical church?
4. What is one change that is needed for a better life for you in the year ahead? Ask God, through prayer and good counsel, how to begin to enact this change.
