

TALK IT OVER

Our Talk It Over is prepared each week by the teaching pastor and is designed to prompt insights, questions and dialogue based on the life experience of each listener. Using these in a group setting after hearing the message is similar to the practices of the early church in Israel.

2. In what ways can you be a light in your professional environment, even if you're unable to openly share your faith?
3. How can the community better support teachers in their multifaceted roles, whether we have children in the school or not?
4. Consider the mentorship role that teachers play. In what ways can you be a mentor or guide to others in your life?
5. Think about how a teacher's personal journey allows them to relate to their students How do personal struggles and experiences contribute to your empathy and understanding of others, and how can you use these experiences to connect more deeply with those around you?
