

TALK IT OVER

Our Talk It Over is prepared each week by the teaching pastor and is designed to prompt insights, questions and dialogue based on the life experience of each listener. Using these in a group setting after hearing the message is similar to the practices of the early church in Israel.

1. In what ways does the idea that "everything is spiritual" challenge the materialistic mindset often prevalent in society?
2. What practices might help individuals and families stay connected to the spiritual dimension of life?
3. How can you incorporate an awareness of the spiritual dimension into your daily routine?
4. In what ways might your decisions about money reflect either a materialistic or a spiritual mindset?
5. How might the idea that "what is seen was not made out of what is visible" challenge your understanding of reality?
6. What are the implications of Jesus' teachings on your understanding of truth and the nature of reality?
