

# TALK IT OVER

*Our Talk It Over is prepared each week by the teaching pastor and is designed to prompt insights, questions and dialogue based on the life experience of each listener. Using these in a group setting after hearing the message is similar to the practices of the early church in Israel.*

## WHAT DID JESUS REALLY TEACH? PART 2: COMPASSION IS THE KEY

1. How can you practice compassion in your daily interactions at work, school or in your community?
2. Are there any people in your life or community that you tend to exclude or overlook? How can you take steps to include them?
3. How does the way you treat others reflect your understanding of what it means to imitate God?
4. In what ways can sharing a meal with someone who is different from you help foster compassion and understanding?
5. How does the shift from viewing holiness as purity to viewing holiness as compassion reshape our understanding of God's character and expectations for humanity?
