

Our Talk It Over is prepared each week by the teaching pastor and is designed to prompt insights, questions and dialogue based on the life experience of each listener. Using these in a group setting after hearing the message is similar to the practices of the early church in Israel.

WALKING IN WISDOM

Week 6

1. How has a piece of wisdom from Proverbs or another source shaped a major decision in your life?
2. Can you think of a time when you relied too much on your own understanding rather than trusting in God? What was the outcome?
3. Proverbs 18:15 says, "Intelligent people are always ready to learn." What is one area in which you need to be more open to learning?
4. Have you ever experienced a time when following godly wisdom led you to go against popular opinion? What happened?
