

*Our Talk It Over is prepared each week by the teaching pastor and is designed to prompt insights, questions and dialogue based on the life experience of each listener. Using these in a group setting after hearing the message is similar to the practices of the early church in Israel.*

## BECAUSE HE CAME

1. Jesus entered Jerusalem humbly on a donkey. What would that kind of humility look like in our own daily lives, especially in a culture that values status and success?
2. Have you ever had a moment where you had to choose between fitting in with the crowd or standing with your faith? What did that look like, and what did you learn from it?
3. In what ways do you think we're tempted to find security, identity or salvation in things other than Jesus? How do we recognize and resist that pull?
4. What helps you stay connected to your faith when it feels like everything around you is pulling you in a different direction?
5. What might it look like for you to "choose Jesus' procession" this week in a practical, tangible way? What step could you take to follow his lead more intentionally?
